**Step 3:** You will be prompted to enter optional information. You can click the **“Skip this”** link to continue. You will then be taken to the welcome screen for **My Adobe**, which means you have successfully created your Adobe ID. Please make note of the email address and the password you used to register your Adobe ID because you will need it to authorize your device(s).

**Step 4:** If you forget your password, go to [www.adobe.com/go/gn\\_your\\_account](http://www.adobe.com/go/gn_your_account) and click on the **“Trouble signing in?”** link. Enter your email address and click on **“Reset password”**.

# Downloading and Installing Adobe Digital Editions

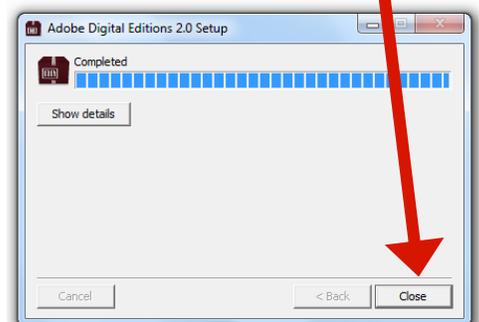

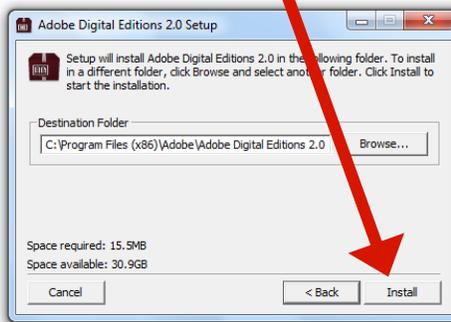

**Step 1:** Adobe Digital Editions is a free program used to read or transfer eBooks and it is compatible with Macs and PCs. To get this software, open your browser, go to <http://www.adobe.com/products/digital-editions/download.html> and click the **“Download Macintosh”** or **“Download Windows”** link to download the installer.

**Adobe Digital Editions 2.0 Installers**  
Local your preferred platform and click on it to download Digital Editions  
Download **Macintosh (16.3 MB)**  
Download **Windows (5.61 MB)**

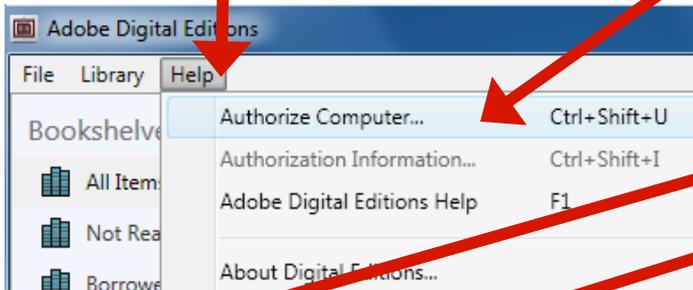

**Step 2:** Run the installer and check the **“I accept the terms in the License Agreement”** box and click the **“Next”** button to continue.

**Step 2:** You will be asked which components you would like to install. Click the **“Next”** button to continue. Choose the install folder and click the **“Install”** button. Once, the install has completed, click the **“Close”** button.

**Step 3:** Adobe Digital Editions will open. To activate your computer with your Adobe ID, click the **“Help”** button and then the **“Authorize Computer...”** button.

**Step 4:** Type in your **Adobe ID** email and **Password** in the applicable fields and click the **“Authorize”** button. You will be told that your computer has been successfully authorized. Press the **“OK”** button to continue. You are now able to download and read eBooks from the library.
